## **Trade & Technical Education**

### **EVALUATION DOCUMENT**

This document was developed to assist in evaluating Career and Technical Education Programs throughout the state. Quality CTE programs are those which meet program standards based on the quality indicators provided. The goal of the evaluation process is to assist in improving programs. Documentation for each standard must be available upon request, where appropriate.

This document is to be used as the basis for the following processes:

- 1) Program self-evaluation, improvement, goal setting, and long-range planning
- 2) On-site Reviews/Visits
- 3) Annual CTE Program Evaluation Reporting
- 4) Six-Year CTE Program Evaluation

As a department, instructors are to determine ratings for the following quality indicators. Programs with identified deficiencies will be asked to develop a CTE Program Improvement Plan.
